Feedback Question 1: What 3 things did you like best about the game?

Good animations

Shows the playerscore and lives

challenging

Feedback Question 2: What 3 things did you like least about the game?

Too slow firing rate

Enemy ships move too quickly

Too many enemies spawn at once

Make at least one specific suggestions for improvement

Add an ability to destroy enemy ships  
that are in close range, for example  
explosion that deals not damage around the  
player
